---

## CONFERENCE EXTRAS

\* *KNB (Keep Norfolk Beautiful) is sponsoring the "Waste-free Lunch Contest" to make bringing your own lunch creative and fun. KNB will offer prizes to those that bring a lunch that doesn't generate any trash (using reusable containers, recyclable bottles, etc.)*

**American Rover** is a tall cruise ship along the Elizabeth River. Cruises showcase the best of America's greatest seaport. Sail majestically by giant merchant and navy ships, tugs, fishermen, yachts, and all the wonders of our bustling waters. The ships' design was inspired by 19th century cargo schooners, yet possesses modern amenities that assure a comfortable cruise...spacious topside decks with seating, climate controlled below deck cocktail lounges, clean restrooms, and a ship's store offering souvenirs, snacks, sandwiches, & your favorite beverages. <http://www.americanrover.com>

**Nauticus** is a spectacular maritime-themed science center featuring hands-on exhibits, interactive theaters, aquaria, digital high-definition films, and an extensive variety of educational programs. A gift shop and restaurant complement the experience. <http://www.nauticus.org> FILM: With the largest natural harbor on earth, the Port of Virginia serves as a gateway to the world through maritime operations. This original hi-definition film captures Port activity as choreographed motions of trains, cranes and container ships reveal the beauty of transportation where workers are the masters of the machinery that dwarves them. Produced by Nauticus in conjunction with Xenon.

**Hanbury Evans Building** is a design firm providing architecture, preservation, planning, interiors and landscape design services throughout North America. The firm was established in 1977 and incorporated in 1979. They currently have offices in Norfolk, Virginia; Wytheville, Virginia, and Tampa, Florida. <http://www.hewv.com>

*Put on your walking shoes! We're planning a great adventure!*

## **DIRECTIONS & DETAILS:**

**American Rover:** Take I-64 toward Norfolk. Take I-264 West (if coming from the Virginia Beach just take I-264 West), towards downtown Norfolk. Take the left exit onto Waterside Drive. Go two short blocks to the blue roofed Waterside Festival Marketplace. The AMERICAN ROVER Dock is just behind the Waterside building to the right facing across the water. *(Steps are present to the dock and Rover.)*

**Nauticus:** (One Waterside Drive, Norfolk 23510) From the North or Northwest (Williamsburg/Richmond) Take I-64 East - Exit onto 264 West towards Downtown Norfolk. Take the Waterside Drive exit #9. Nauticus is four lights down on the left.

From the South or Southwest Take I-64 West Exit onto 264 West towards Downtown Norfolk. Take the Waterside Drive exit #9. Nauticus is four lights down on the left. *(Elevators are available.)*

**Hanbury Evans Building:** (120 Atlantic Street, Norfolk 23510)

From Nauticus, it is but a five-minute walk up Main Street to Atlantic Street at the Marriott. Turn left on Atlantic Street and the building is located before the E. Plume Street. (The Hanbury Evans Building is across the street from the Main Street Parking Lot.) *(The meeting room is on the 1<sup>st</sup> floor. The rooftop tour is accessible by permanent ladder against wall leading to a ceiling hatch. )*

## **PARKING:**

Because the conference begins with the American Rover just down Waterside Drive from the Nauticus, and ends downtown a few blocks away, parking in the City of Norfolk garages would be recommended. There are a number of garages to choose from. Unfortunately, reimbursement for parking is not within the budget at this time. Please go here for more suggestions on parking in downtown Norfolk: <http://www.norfolk.gov/Parking/Map.asp> *(For planning purposes when looking at the city online map, the conference begins behind "S" and continues at item "M" and concludes across the street from item #2.)*

**(Free Parking Alternatives: Check out the NET!)**

<http://www.norfolk.gov/Visitors/net.asp>

---

## WHAT TO BRING?

- Lunch! *Waste Free Lunch!*
- Comfortable walking shoes...
- Rain gear...
- Business cards for networking...
- Enthusiasm and excitement for EE!!!

Please be sure to be at the Rover no later than 9:00 a.m. The ship WILL leave without you! Early registration will grantee your spot on the ship! Feel free to bring your own refreshments to keep you hydrated or caffeinated throughout the day. Alternative transportation will be available to those in need and that notify us in advance so that arrangements can be made.

# Green Your EE

### **Past Conference Hosts:**
